A Christmas Carol Revisited

**Adapted from the Dickens Story by Peter Holland
Featuring masks for all the spirit characters and music of the season
With original music by Peter Holland
Performance length: 1hr.**

In this faithful retelling of the Christmas classic, three street performers bring all of Dickens' characters magically to life. Utilizing beautiful oversized masks for all the spirit characters, and the involvement of the audience, old Scrooge's miraculous transformation from a miser to a man of good will becomes more poignant than ever. After the performance the cast will lead your group in a medley of Christmas Carols.

As Tiny Tim observed: "God Bless Us, Everyone!"
